We invite researchers and practitioners from the academic, private and government sectors who are involved and interested in technological, social and political aspects of cyber warfare and security to come together and exchange ideas at ECCWS 2018 in Oslo.

ECCWS 2018 is organized in conjunction by the University of Oslo (UiO) and the Norwegian Institute of International Affairs (NUPI).

ECCWS offers a unique opportunity for networking, learning, exploring and discussing ideas, experiences and challenges in the research, development, application and management of technologies and policies to advance the maturity and stability of cyber warfare and security. We welcome your contribution and look forward to seeing you at ECCWS 2018 in Oslo.

Accepted papers are published in both the paper and e-book conference proceedings (series ISSN 2049-9870) which also get assigned an ISBN.
